PRESS RELEASE

LOXAM S.A.S. SUCCESSFULLY PRICES €1,400,000,000 NOTES OFFERING

Paris — July 17, 2019. Loxam S.A.S. (the “**Company**”) today announced that it has priced its previously announced offering of €700,000,000 in aggregate principal amount of its senior secured notes due 2025 (the “**2025 Senior Secured Notes**”), €450,000,000 in aggregate principal amount of its senior secured notes due 2026 (the “**July 2026 Senior Secured Notes**” and, together with the 2025 Senior Secured Notes and the July 2026 Senior Secured Notes, the “**Senior Secured Notes**”) and €250,000,000 in aggregate principal amount of its senior subordinated notes due 2027 (the “**Senior Subordinated Notes**” and, together with the Senior Secured Notes, the “**Notes**”).

The 2025 Senior Secured Notes were priced at 100% with a coupon of 3.25% per annum. The July 2026 Senior Secured Notes were priced at 100% with a coupon of 3.75% per annum. The Senior Subordinated Notes were priced at 100% with a coupon of 5.75% per annum.

As announced by the Company on July 15, 2019, the proceeds from the offering of each series of Notes will be deposited into escrow accounts (the “**Escrow Accounts**”) pending satisfaction of the conditions precedent set forth in the combination agreement related to the previously announced tender offer and acquisition by the Company of 100% the outstanding shares of Ramirent plc (the “**Target**”).

Following confirmation that, following the tender offer, the Company will own more than 90% of the issued and outstanding shares and voting rights of the Target, the entire amount of the proceeds from the offering of the Notes will be released from the Escrow Accounts and paid to the Company for it to purchase the shares of the Target, to refinance certain of the Target’s gross debt and to pay fees and expenses related to the acquisition of the Target and the offering of the Notes. After the payment for the purchase of the shares of the Target initially tendered in the tender offer (the date of such initial purchase being referred to herein as the “**Completion Date**”), the remainder of the proceeds from the offering of the Notes will be used by the Company to complete the acquisition of the remaining shares (if any) of the Target outstanding in one or more transactions, to refinance certain of the Target’s gross debt and to pay fees and expenses related to the acquisition of the Target and the offering of the Notes.

The issuance of the Notes, which is subject to customary conditions, is expected to close on July 22, 2019 (the “**Issue Date**”).

From the Issue Date until the release of the proceeds from the sale of the Notes from the Escrow Accounts, each series of Notes will be secured by a charge over the Escrow Account into which the proceeds therefrom will have been deposited. From the date on which the proceeds are released from the Escrow Accounts, the Senior Secured Notes will be secured by security interests in the Company’s “Loxam” trademark and the share capital of two of its subsidiaries, Loxam Power and Loxam Module, each with first-priority under the intercreditor agreement entered into between the Company and its main creditors and by a first-priority security interest over the Company’s shares of Lavendon Group Limited. As soon as practicable following the Completion Date, the Senior Secured Notes will also be secured by a first-priority security interest in the share capital of the Target held by the Company and the Senior Secured Notes will be guaranteed by two of the Company’s subsidiaries, Nationwide Platforms Limited and Loxam Module. From the date on which the proceeds are released from the Escrow Accounts, the Senior Subordinated Notes will be the unsecured obligations of the Company and will be expressly subordinated in right of payment to indebtedness incurred under the Company’s revolving credit facility and the Company’s present and future senior secured debt, including the Senior Secured Notes.
