**Paris — December 4, 2023.** Loxam S.A.S. (the “Company”) provides today updated information regarding its recent financial performance.

Based on preliminary information, we estimate that our consolidated revenue increased by approximately 9% during the month of October 2023 compared to October 2022. Revenue generated in France increased by approximately 8%, revenue in the Nordic countries increased by approximately 1% and revenue in the Rest of the world increased by approximately 18%, in each case during the month of October 2023 compared to October 2022. This revenue growth was in line with our performance during the nine months ended September 30, 2023, noting that there was an additional trading day in October 2023 compared to October 2022. At constant perimeter and constant exchange rates, our consolidated revenue grew by approximately 6% during the month of October 2023 compared to October 2022.

**Forward Looking Statements**

*This press release may include forward-looking statements. These forward- looking statements can be identified by the use of forward-looking terminology, including the terms “believes”, “estimates”, “anticipates”, “expects”, “intends”, “may”, “will” or “should” or, in each case, their negative, or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts and include statements regarding the Company’s or its affiliates’ intentions, beliefs or current expectations concerning, among other things, the Company’s or its affiliates’ results of operations, financial condition, liquidity, prospects, growth, strategies and the industries in which they operate. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Readers are cautioned that forward-looking statements are not guarantees of future performance and that the Company’s or its affiliates’ actual results of operations, financial condition and liquidity, and the development of the industries in which they operate may differ materially from those made in or suggested by the forward- looking statements contained in this press release. In addition, even if the Company’s or its affiliates’ results of operations, financial condition and liquidity, and the development of the industries in which they operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.*

*The forward-looking statements and information contained in this announcement are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.*
